

Fair Volunteer Sign Up

We will again be using a website called Sign Up Genius. On this website you will be able to see the days and time slots available for the fair. Under each time slot are the booths that need help. Each booth has a little description of what you will be doing and how many people it needs to function properly. We are trying something different this year with the volunteer sign up. The website is first come first serve. Each grade level **WILL NOT** be assigned a specific time. If you know that you have a limited window to help that weekend or if you like a specific booth please sign up early. If you cannot make it, please ask a family member or friend if they will help and work in your place. If you can volunteer for more than one shift, please sign up for as many shifts as you feel comfortable volunteering for. The fair is only successful if we all come together and help. The website will go live on March 27th. The link to the website will be available from the school's website under the fair tab.

Thank you in advance for your time!
